Peralta Retirees Organization Scholarship – COA

Dear Peralta Retirees Organization Scholarship,

As the recipient of Peralta Retirees Organization Scholarship, I would like to express my sincere gratitude for the tremendous support that you have provided me through this scholarship.

It is my last semester at College of Alameda, where I am working on my Associates for transfer in math. So far, my tuition is completely covered by financial aid. I am very thankful because I come from a low-income household. After transferring to a UC in fall however, I am anticipating having to pay a sizeable amount of tuition especially since I plan to live on campus, which will create an incredible amount of financial strain. Thanks to your generosity, that strain is reduced. This scholarship will allow me to focus on school to pursue my Mathematics degree without financial worries.

I thank you again for your support of my endeavor through the means of this generous scholarship.

Sincerely,
